

STONE BOX

STONE BOX is a container project used by CERCOM to collect and process the inspirations of natural stone in creating elegant, versatile coverings for contemporary architecture.

STONE BOX contains five variants for designing spaces and volumes in an original and eclectic style. The aesthetics of Stone Box can be appreciated in both floor and wall installations.

Each version in STONE BOX by CERCOM is available in a range of sizes and finishes to support the use of the product both indoors, including large panels up to 100x100 and 100x50 cm, and outdoors, with the 19 mm solutions.
